

CURRICULUM VITAE

NAME: Jean I. Akopian, Doctor of Biological Sciences, Prof., Corresponding member of National Academy of Sciences of Armenia

DATE AND PLACE OF BIRTH : August 26, 1936 – ARMENIA

CITIZENSHIP: ARMENIAN

MARITAL STATUS: Married, one son

EDUCATION:

1959 – Medical Institute, Yerevan, ARMENIA

1964 – Post-graduate, Institute of Biological and Medical Chemistry,
Academy of Medical Sciences, Moscow

Field of specialization:

- general biochemistry,
- molecular enzymology,
- enzymology of genetical processes.

DEGREE:

1964 – Ph.D., Inst. of Biological and Medical Chemistry, MOSCOW

1971 – Doctor of Biological Sciences, Inst. of Biological and Medical Chemistry,
MOSCOW

1980 – Professor of Molecular Biology

1992 – Academical Adviser Academy of Engineering of Armenia

1993 – Corresponding member of Ararat International Academy of Sciences,
Paris

1994 – Corresponding member of Academy of Engineering of Armenia

1995 – Member of Academy of Engineering of Armenia

1996 – Member of Ararat International Academy of Sciences, Paris

1997 – Member of New York Academy

2003 – Member of Academy of Sciences of Europe

2006 – Corresponding member of National Academy of Sciences of Armenia

CAREER:

1961-1974	Institute of Biological and Medical Chemistry, Academy of Medical Sciences, Moscow
1974 – up to now	Head of Laboratory of Molecular Enzymology, Institute of Molecular Biology, National Academy of Sciences of Armenia
1974-1979	Director of the Institute of experimental biology NAS RA
1995-1997	Director of International Scientific foundation RA
1997-2000	Director of International Scientific educational center NAS RA
2000-2007	Director of the Institute of microbiology NAS RA
2007-up to now	Academical Adviser of the Institute of Microbiology NAS RA

WORKED:

The Bernhard Baron memorial research Lab. Charlotte's Maternity Institute (Head of
Lab. prof. M. Sandler) – 1976, London

Lab. of biochemistry of the Institute of Biophysics and Biochemistry,
Warsaw University (Head – prof. D. Shugar) - 1988, Warsaw

Lab. of bioorganic chemistry Institute of organic chemistry and biochemistry
Czechoslovak Academy of Science (Head – prof. A. Holy) – 1988, Prague
Department of molecular pathology of the Institute of Paster (Head - D. Paulin) - 1994, Paris

Lab. D'Oncologie clinique et fondamentale service de Biochimie Hospital Henri Mondor
(Head - prof. J. Bignon) - 1997, Paris

Office of global education program U.S. department of state, course of scientific
management (program officer M. Westbrook) – 2000, Washington, U.S.

MEMBER: Honorary Citizenship city of Baltimore, USA
